Attorney General of the State of New York

---

<sup>1</sup> As stated in their last exhibit list filing (ECF No. 390), Plaintiffs have removed from their exhibit list the FDA Warning Letter that was the subject of Defendants' First Motion in Limine (ECF No. 345), and Quincy's response thereto, based on the parties' representations that they would not introduce evidence of or elicit testimony relating to those documents or the FDA Close-Out Letter (ECF No. 346-1) during the jury trial. However, as stated in Plaintiffs' response to Defendants' First Motion in Limine (ECF No. 357 n.2), Plaintiffs reserve the right to seek to use those documents as exhibits in the event Defendants introduce, and the Court admits, evidence relating to the Close-Out Letter. *See also* Jan. 8, 2024 Order on Mots. in Lim. (ECF No. 379) at 3 (noting the parties' agreement and reserving decision on the motion for trial "[f]ailing that resolution").

**CERTIFICATE OF SERVICE**

I hereby certify that on this 20th day of February, 2024, I have caused service of the foregoing Plaintiffs' Revised Trial Exhibit List to be made by electronic filing with the Clerk of the Court using the CM/ECF system, which will send a Notice of Electronic Filing to all counsel of record.
